Calls For Action On Dangerous Crossing

Calling the attention of the General Assembly at Harrisburg again to the dangerous intersection at York Springs and to the recent fatal crash there, Assemblyman Francis Worley told the House in a speech Monday evening "something must be done to do away with the most serious highway death trap in this area of the Commonwealth."

Recalling that the crossing has been the scene of many accidents in many years, Worley pointed out that Rte. 15 is much traveled by political figures going from Harrisburg to Washington and Rte. 94 carries great deal of truck traffic, he urged the House to call the attention of the Highway Department and the governor to the crossing and added: "Let's make York Springs safe for the traveling public."

Foreign Affairs Committee declared today Nationalist China would not recognize any decisions affecting her interest that might be reached in the U.S. talks with Red China at Geneva.

The committee issued its statement after hearing a background report by Foreign Minister George

Yeh at a closed session. The committee statement said the United States was obliged, under its mutual defense treaty with Nationalist China, to try to halt the march of communism and, unthe Chinese Reds.

Red Propaganda Victory

In an earlier public statement, Yeh said Communist China's release of 11 American fliers "had been expected for months." "It would be an irony of justice

if their release should be made Mr. and Mrs. Murray Puss spent the reason for reward" to the Top Nationalist sources said the

In Memoriam

TRIMMER: In loving memory of my dear husband, Ralph M. Trimmer, who passed away two years ago August 2, 1953. "We walked together, you and I,

In sorrow and in joy. We shared our pains and happiness With love without alloy, And death shall never end our love For through the mist I see Our glad reunion in the sky

For all eternity. His weary hours, his days of pain. His weary nights are passed, His ever-patient manly soul Has found sweet rest at last." Sadly missed by his wife
